

San Bernardino County Women's Network

March 2008 Meeting

Retirement Planning

Retirement will mean some significant changes to your life; you will have many thousands of hours per year of un-scheduled time. How will you spend your time? How much will you receive from the retirement system? Do you want any form of work after you retire? How much will you pay for health insurance? How does "Deferred Comp" work after you retire? How do you calculate your final compensation? Can you come back and work for your employer? Can you draw Social Security and your retirement?

In his own entertaining way, retired Deputy Chief Jim Nunn will address all of the above, and much more!

Jim Nunn served on the County Retirement Board for 13 years, and is a graduate of the Wharton School of Finance.
